## Minnesota Weatherguide Environment™ Wall Calendar

Minnesota's favorite calendar for 40 years – it's a calendar and almanac in one!

56 spiral-bound pages (9.5"x13") that include: phenology and nature notes by Jim Gilbert (WCCO Radio consulting naturalist); meteorology information by Kare 11 and MPR meteorologists; astronomical charts and information. The calendar features daily information on sunrise/sunset, moonrise/moonset, normal and record high/low temps, record precipitation, moon phases, significant events and special dates, weekly regional weather records, number of daylight hours, and spectacular nature photographs from around the region.

## Minnesota Weatherguide Environment™ Engagement Calendar

Same great content as the wall calendar, in a weekly planner format. 120 spiral-bound pages (6"x9") and over 50 stunning regional nature photographs.
