Minnesota Weatherguide Environment™ Wall Calendar

Minnesota's favorite calendar for over 40 years – it's a calendar and almanac in one!

56 spiral-bound pages (9.5"x13") that include: phenology and nature notes by Jim Gilbert (WCCO Radio consulting naturalist); meteorology information by KARE 11 and MPR meteorologists; astronomical charts and information. The calendar features daily information on sunrise/sunset, moonrise/moonset, normal and record high/low temps, record precipitation, moon phases, significant events and special dates, weekly regional weather records, number of daylight hours, and spectacular photography from around the region.

Minnesota Weatherguide Environment™ Engagement Calendar

120 spiral-bound pages in a weekly planner format (6"x9"). Content is similar to the wall calendar, featuring daily records, weekly phenology paired with stunning regional photos, and quarterly astronomic information.
