

The CITY of
EDINA

Model Contract for Snow and Ice Management Services

Jessica V. Wilson, Water Resources Coordinator

Road Salt Symposium
February 7, 2019

Conventional approach

The CITY of
EDINA

Few address
environmental impacts

Imbalanced allocation of risk

'Risk' Barrier

The CITY of
EDINA

Collaborative

The CITY of
EDINA

Key elements

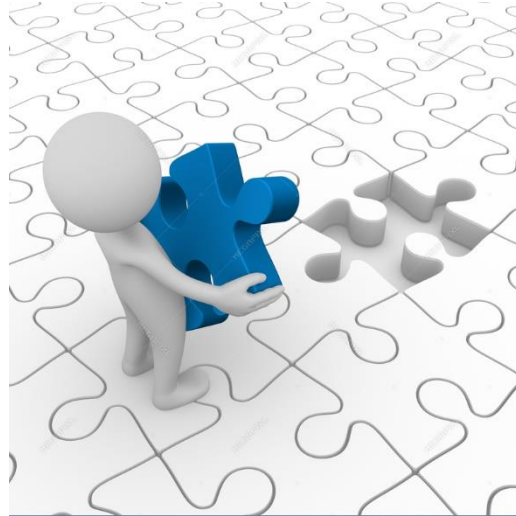

- Environmental impacts are well known
- Best practices are well established and do not compromise safety
- Training and documentation are used to build a presumption of due care
- Property owners and managers play an important role

Adaptable

The CITY of
EDINA

The CITY of
