1893 – April 28	1914 – April 17	1935 – April 7	1956 – April 21	1977 – April 10	1998 – April 3	2019 – April 20

Beginning in 2014, ice-out on Lake Minnetonka is jointly determined and announced by the Freshwater and the Hennepin County Sheriff’s Water Patrol. Under the new procedure, a representative of Freshwater and a deputy sheriff will travel in a sheriff’s patrol boat to check lake conditions. The boat will take a broad route around the Upper Lake and Lower Lake. The decision to declare ice-out will be made when the patrol boat can navigate through the lake’s bays and channels without impediment from ice floes.
