

Tired of selling candy bars and wrapping paper?

Minnesota Weatherguide Environment™ Calendars are an easy sell and support the work of Freshwater, a nonprofit that works to inspire and empower people to value and preserve our freshwater resources. The calendars make the perfect gift for teachers, family, birders, gardeners, sky watchers, and nature lovers!

The Weatherguide calendar has been published for more than 45 years and is a best seller in Minnesota; each year we sell more than 20,000 calendars through retailers, nature centers, educational institutions, and online. Consider using the 2024 calendars to raise funds for your organization!

Here are a few options:

- **Easiest Fundraiser Ever**

Simply send an email and we handle the rest. We provide an email template, and handle all ordering and shipping. You do nothing more than send an email and earn \$5 for each calendar sold.

- **Sales on consignment**

Take calendars to sell in-person and return any unsold inventory. You manage product sales and distribution, and pay for any shipping costs. You earn up to \$10 (50% of retail) for each calendar sold.

- **Sales by fulfillment**

Take calendar orders and then we ship only what you need. We provide a sample calendar and flyer and you manage distribution, plus pay for any shipping costs. You earn up to \$10 (50% of retail) for each calendar sold.
